# FORTY-SIX DEAD IN TORNADO

## SECOND CHARGE VOTED AGAINST LONG

### MORE CHARGES ARE PRESENTED AGAINST GOVERNOR LONG

#### ATTEMPTED BRIBERY AND MISUSE STATE FUNDS PLACED BEFORE COMMITTEE

BATON ROUGE, Apr. 11. (AP)—Gov. Huey P. Long was impeached on a second charge by the Louisiana house of representatives today. The indictment was relative to the bribery of two members of the legislature for the purpose of support of administration measures.

The vote was 56 to 40.

Specifically the second charge is that Representative Adolphe Gueymard of Iberville and Representative Polk Delane of St. Charles were offered remunerative employment by the governor in return for their support of administration legislative measures. Gueymard also is alleged to have been offered a relief bill.

### SENATE COMMITTEE WILL CONFER WITH HOOVER THURSDAY

WASHINGTON, April 11.—(AP)—A delegation of five members of the senate agriculture committee was appointed today to confer with President Hoover later in the day in an effort to obtain his views on specific provisions of the new relief bill.

The delegation will be headed by Chairman McNary and the other members will be Senators Norbeck of South Dakota, and Capper of Kansas, republicans, and Ransdell of Louisiana and Heflin of Alabama, democrats.

One of the main purposes of the visit to the White House is to seek the President's views on the export embargo plan, advocated for a number of years by the National Grange.

### Disagreement With Stepmother Caused Girl to Leave Home

MIAMI, Fla., April 11.—(AP)—Living in a \$7 a week room in a small hotel here, Mary Joan Sprague was identified yesterday as Miss Rosamond Morse, 17, missing Brookline, Mass., heiress.

She earned her living as a waitress.

Wide search had been instituted by her father, Edward W. Morse, Jr., a Boston banker, since she left her home on January 4. She is said to have decided to see the country after a disagreement with her stepmother.

She was identified by a contractor with whom she had been friendly. He recognized the girl by pictures in a newspaper, and telegraphed the girl's father.

### One Killed in Blast Aboard Big Liner

HOBOKEN, N. J., April 11.—(AP)—One man was killed and six badly injured in an explosion today aboard the United States liner President Roosevelt, docked on the north side of pier 4, at the foot of Third street, this city.

The dead man is Robert Pendleton, a boilermaker's helper.

### LEVIATHAN, FORMER QUEEN OF AMERICAN LINES, SELLS LIQUOR FOR BEVERAGE NOW

NEW YORK, April 11.—(AP)—No liquors will be sold on the Leviathan on her present voyage to Europe, Joseph E. Sheedy, executive vice-president of the United States Lines, Inc., announced this afternoon. He said his order to the stewards of the ship was to serve liquors on the western trip.

NEW YORK, April 11.—(AP)—The Leviathan, the American flag ship, was en route to Europe today with liquor for sale.

The liner was making her maiden voyage under private American ownership of the newly organized United States Lines, Inc., and the medical liquor stores were available for beverage purposes.

Under the law ships are permitted to carry one quart of liquor for each five passengers and members of the crew for medical purposes. This would give the Leviathan an allowance of 700 quarts on this voyage to Europe.

For the westward trip the officers and board were made dry to the twelve mile limit. There all over the medical allowance would be then thrown overboard.

The Leviathan and other ships of the company were made dry in 1923 on the theory that liquor should not be sold on government owned ships.

All other American lines vessels follow foreign ports, except the Dollar line, said Sheedy.

### REBEL ARMIES ARE CONVERGING UPON NACO, BORDER CITY

#### FEDERAL GARRISON EXPECTED TO BE BESIEGED BY OVERWHELMING NUMBERS

NACO, Ariz., April 11.—(AP)—Mexican rebel troops were reported converging upon Naco, Sonora, from three directions today, giving weight to the announcement of revolutionary leaders they soon expected to besiege the little federal garrison with overwhelming numbers.

Federal occupation of Naco held about 1,000 loyal soldiers under General Lucas Gonzalez, but the only immediate major threat to rebel activities in the revolutionary state of Sonora.

With General J. Gonzalo Escobar, revolutionary commander-in-chief, here to command them, rebel troops retreating from Chihuahua were reported to be pouring through Pulpito Pass into Sonora and it was said the entire force numbering "not less than 8,000 men" would reach Agua Prieta, 16 miles east of here, by tonight.

About 600 rebel troops said to be from the rebel army retreating into Sonora from Sinaloa, were reported to have reached the hills south of Naco last night, joining forces with General Faustino Topet's army. The latter force is said to number upwards of 2,000 men.

Reports from Topet's camp said the rebels were preparing to attack Naco with gas bombs and artillery. The report spurred the federalists to action.

### BRITAIN REPORTED PREPARING ADVANCE NAVAL SETTLEMENT

#### DELEGATES DISARMAMENT CONFERENCE CONVERGING ON GENEVA NOW

GENEVA, April 11.—(AP)—As delegates to the preparatory commission for a disarmament conference began converging on Geneva today, there were unconfirmed reports in league of nations circles that Great Britain contemplates advancing some suggestions before the British general elections of the naval question calculated to hasten an arrangement with the United States.

This report, with dispatches from Washington indicating Hugh S. Gibson, American ambassador to Belgium, is bringing some new suggestions on the naval problem from President Hoover, has raised hope that something encouraging may be accomplished.

It is understood authoritatively, however, that no definite agenda has been drawn up for the preparatory commission. Its sessions may be expected for several weeks and to be highly technical and scientific in character.

### ENGLISH PAPERS PLEASED AT NAMING CHARLES G. DAWES

LONDON, April 11.—(AP)—English newspapers were enthusiastic today in comments on the appointment of General Charles G. Dawes as ambassador at St. James.

London morning papers printed the American's picture and long biographical notices recalling his public service, especially that in the cause of peace.

The Times in an editorial said: "This first act of the Hoover administration bearing directly on the relations of the English-speaking world will universally be interpreted as full of promise for the four years ahead. The president could not have proposed a name more acceptable, or better known in this country."

The Daily Express expressed regret at naming "such a good friend as Mr. Houghton," but added, "no successor could be more entirely persona grata than General Dawes."

### Snow Storm Is Reported Over Parts 2 States

ST. PAUL, April 11.—(AP)—A severe snowstorm that rained a mid winter blizzard today had most of Southern Dakota and the southern half of Minnesota under a white blanket in some sections was more than a foot deep. Sioux Falls, in South Dakota, and Pinepoint, Minnesota, reported the heaviest snowfall.

While the moisture was expected to be of great benefit to crops already in the ground, spring seeding operations will be delayed for several days.

### NEGRO SCHEDULED FOR ELECTROCUTION EARLY HOUR FRIDAY

#### CONVICTED OF SLAYING HIS WIFE; FIRST OF ELEVEN CONDEMNED MEN

HOUSTON, April 11.—(AP)—Wade Wellborn, negro, is slated to begin the deadly march of a number of convicts to the electric chair shortly after midnight tonight.

Wellborn was convicted of murder in the slaying of his wife at Mount Pleasant more than a year ago. Governor Dan Moody had not return for several days. Then, it was convicted of shooting to death his wife, Rose Ella Wellborn, in February, 1929. It was brought out at his trial that Wellborn had mortgaged his crops. His wife objected, and he left home and did not return for several days. Then, it was testified, he shot Mrs. Wellborn after watching her put her children to bed. The shots were fired through a window.

The condemned man will be given a special chicken dinner tonight. For three weeks he has been sharing a death cell with Matthew Sanders from Bryan, scheduled to die on April 27.

There are eleven condemned men in the nine death cells in the penitentiary.

### Albany Man Is Convicted For Alleged Fraud

ALBANY, April 11.—(AP)—J. C. Raymond, sales manager of General Neon Sign corporation of Ft. Worth, was found guilty yesterday of a \$15,000 fraud in the nine death cells in the penitentiary.

Fraudulent misrepresentations in the purchase of a group of Albany vice-president, both of Ft. Worth and C. C. Butler, former mayor of Albany have been indicted in connection with the same case. Their cases have not been tried.

### FOUR KILLED IN CRASH

ROME, April 11.—(AP)—Four men were killed today in a crash of two seaplanes maneuvering near the Augusta Seaplane drome. The planes were at a height of 300 feet when they collided.

### GUATEMALAN HOPS OFF

MEXICO CITY, April 11.—(AP)—Lieutenant Colonel Morales Lopez, Guatemalan aviator, left Mexico City at 7:30 o'clock this morning on a flight to Guatemala City.

### HOUSTON GIRL COLLAPSED AS SHE HEARD OF FIANCE'S END IN MEXICAN AIRPLANE CRASH

MEXICO CITY, April 11.—(AP)—Five lives were counted as the cost today of the worst accident in Mexican aviation history. Four of these dead were Americans, and the fifth a Mexican resident of this capital.

The accident occurred yesterday at Tampico when a Mexican aviation company plane, bound from Mexico City to Brownsville, crashed as it took off. The plane's single motor failed when it was not more than 100 feet in the air.

Among those killed was Farrell Frazier, American engineer, who had recently moved to New York after completing construction of a bridge across the Rio Grande at Brownsville. Frazier was returning from Mexico City where he had visited his fiancée, Miss Grace Parkinson, of Houston.

In addition to Mr. Frazier, the victims were: Dennis W. Taylor, the pilot, an American; Señor J. S. Fernandez, of Mexico City; Elaine Newcombe, another pilot traveling as a passenger, and a man named Robinson, said to be a taxi driver in Brownsville.

Both Taylor and Newcombe formerly were in the company of the

### RIVAL TEXTILE UNIONS TO GIVE SUPPORT STRIKERS IN CAROLINA LABOR TROUBLES

NEW YORK, April 11.—(AP)—Two rival textile unions today were organizing support for the striking textile workers in the South.

While the National Textile Workers' Union, a communist organization now in control of the strike in North and South Carolina, discussed at a meeting the raising of relief funds, the executive council of the United Textile Workers of America, affiliated with the American Federation of Labor, arranged to enter the strike field.

The A. F. of L. organization adopted plans for an extensive organization campaign among the strikers and the raising of a defense fund.

Meanwhile at the meeting of the communist organization Albert Weisbord, head of the National Textile Workers' Union, assailed the A. F. of L. organization for failing to manifest interest in the fate of the Southern strikers until his organization entered the field.

### AMERICAN TROOPS GATHERING ALONG ARIZONA BORDER

#### INFANTRY REGIMENT, CAVALRY AND FIELD ARTILLERY ORDERED ON DUTY

SAN ANTONIO, April 11.—(AP)—Fifteen hundred United States soldiers made ready today to proceed to Arizona and New Mexico points within a short distance of Sonora, Mexico, where a major battle in the Mexican revolution appeared possible.

Believing the weight of the contending Mexican forces may be greatly increased in the near future, Major General William Lammie, eighth corps area commander here, late yesterday announced an infantry brigade from Fort D. A. Russell, Wyo., would go to Bisbee, Ariz., and the remainder of the seventh cavalry, supplemented by a field artillery battalion from (Continued on page 6.)

### Torch Victim Identified By Woman Friends

ELIZABETH, N. J., April 11.—(AP)—The body of a woman, found shot and stabbed on a road near a roadside road, was identified today by two women acquaintances as that of Mrs. Richard M. Campbell of Greenville, Pa. Mrs. Campbell had been missing since Feb. 1.

The two women were positive in their identification. They were acquainted with Mrs. Campbell for many years and said there could be no doubt she was the torch victim. The identification was made by Mrs. D. Staub, and Mrs. H. G. Doud.

Search is being made for the woman's husband. She married Campbell last August in Elkton, Md. On her return to Greenville a few days later, she said her husband was a physician and had gone to New York where he was planning to open a sanatorium. She left Greenville on Feb. 1 to go to New York, supposedly to join her husband. On Feb. 15 she wrote friends in Greenville she was going to Chester, Pa. Cards mailed at Chester were received from her by relatives and friends in Greenville, a few days later. They were the last messages her friends had from her.

She was a widow when she married Campbell. Her first husband was B. F. Mowry of Greenville.

### MONTE BLUE ILL

HOLLYWOOD, Calif., April 11.—(AP)—Monte Blue, film actor, said to be suffering from sinus trouble, was reported "resting comfortably" at a hospital today. Blue was taken to the hospital yesterday.

### Plant of Weekly Paper in Cicero Bombed Thursday

CHICAGO, April 11.—(AP)—The plant of the Suburban Leader, a weekly newspaper in Cicero, was bombed today. A black powder "pineapple" blasted a hole through the front of the building, and damaged the interior.

Police said the bomb may have been intended for the Central Club Company next door, but William Cepak, publisher of the Leader, said he had received several threats prior to the April 2 election when he opposed the Republican ticket in Cicero, and adjoining suburbs.

### Final Valuation I & G. N. Made By I. C. Body

WASHINGTON, April 11.—(AP)—A final valuation on the property of the International Great Northern railroad which operates 1,105 miles of line in Texas, was fixed today by the interstate commerce commission as of June, 1917, at \$38,946,650. The corporation's book investment on the same date was \$48,282,287, while its capitalization was \$38,202,558.

BILLINGSLEY ACQUITTED  
GREENVILLE, April 11.—(AP)—Governor Dan Moody, Lieut. Gov. Harry Miller and members of the state finance committee were to be guests of the Greenville Chamber of Commerce at a fellowship banquet here tonight in celebration of the opening of the new court house. Senator Joe M. Moore was to be toastmaster.

### DESTRUCTION AND DEATH WROUGHT BY WIND IN ARKANSAS

#### FARM SETTLEMENTS AND VILLAGES HARDEST HIT; MANY DEAD AND INJURED

LITTLE ROCK, Ark., Apr. 11. (AP)—Forty-six persons were known dead, several were missing and believed dead, and almost 100 were injured in a tornado which swept through sections of Arkansas last night.

Twenty-one persons were dead at Swifton, 20 miles north of Newport, and five at Guion. The latter town was reported to have been blown completely away. All the victims were white.

Twelve negroes were reported killed in the vicinity of Parkin. The list of dead included the following:

Charles Defries, 45, his daughter, Grace, 4; Mr. and Mrs. T. C. Ballard and their daughter, Leona; Mr. and Mrs. Paul Butler and their daughter, Zela, 9; Mrs. Ed Riley and three children, Buster, Ruth and an infant; Mrs. Esther Riley, mother in law of Mrs. Ed Riley; Howard Wills, 6; Mr. and Mrs. Cleo Nicholson; Mrs. A. J. Rowlett; John Loy; Mrs. Russell Long and daughter, Viney, 17; and L. E. Hudgens.

Miss Guion: Miss Thelma Pierce, 30; Miss Thana Tilton, Claude Campbell and a mother and child.

The missing list included two children of Charles Defries at Swifton, Jack and Ruth Defries, and a son of T. C. Ballard.

At the village of Lorado, ten miles north of Jonesboro, six persons were killed.

Family Wiped Out.  
Henry Lowtham, his wife and three children met death in the collapse of their home and Tom Adams was killed when his home was destroyed.

### SOCIETY LEADER IS KILLED WHEN PLANE CRASHES

LONG BEACH, Calif., April 11.—(AP)—Mrs. C. C. McWhinney, society leader and prominent in aviation, was killed today when the airplane in which she and her husband were riding crashed at the municipal airport. Mr. McWhinney, a prominent lawyer, was slightly injured.

Mrs. McWhinney was one of 34 women pilots licensed by the aeronautics branch of the federal department of commerce. As such she was granted a private license to fly anywhere she chose alone or with passengers. The late Earl S. Daugherty was her instructor. Daugherty was killed in a triple airplane fatality on December 8, last.

Mrs. McWhinney had more than 250 flying hours to her credit. She piloted her plane to the Stanford California game, taking her family as passengers.

### DIES FROM BURNS

FORT STOCKTON, April 11.—(AP)—Raymond Moody, 20, injured yesterday by the explosion of a gasoline vulcanizer at McCamey, died today from burns. The building was destroyed by fire.

### WASHINGTON SOCIAL SKIES CLEARING FOLLOWING PLAN GIVE MRS. GANN HER PLACE

WASHINGTON, April 11.—(AP)—The social horizon of the capital which has been turbulent with storm clouds for more than a week, showed signs of clearing today, although a number of American hostesses were still in a quandary.

The whisking away of most of the "clouds" was the outgrowth of the "provisional arrangement" adopted by the diplomatic corps according to the desire of Vice-president Curtis that his sister and official hostess, Mrs. Edward Everett Gann, be accorded rank equal to his own in the scale of social precedence.

The arrangement will become operative for the first time tonight at a formal dinner to be given in the Pan-American Union by Ambassador Davila of Chile to President-elect Ramirez.

Mrs. Gann will be seated in the place which heretofore would have been given only to the wife of the highest ranking guest. Under the Kellough ruling, which Vice-president Curtis protested and the diplomats decision superseded, she would have been seated below the wives of ambassadors, cabinet members, senators and foreign ministers.

### Man Is Slain At Dance Early Today by Youth

PORT ARTHUR, April 11.—(AP)—J. Lawrence Wyble, 37, was shot and killed early today at a private dance in El Vista, a suburb of Lyon, 19, of El Vista, surrendered.

Wyble was shot once through the heart. Lyon told officers he shot Wyble because Wyble had made a remark about his sister.

Wyble's body was found at the rear corner of the house.

### MOODY TO VISIT GREENVILLE

GREENVILLE, April 11.—(AP)—Governor Dan Moody, Lieut. Gov. Harry Miller and members of the state finance committee were to be guests of the Greenville Chamber of Commerce at a fellowship banquet here tonight in celebration of the opening of the new court house. Senator Joe M. Moore was to be toastmaster.

## TEXAS GUINAN IS SOLE WITNESS FOR HER DEFENSE CASE

### REPARTEE OF FORMER TEX- AS GIRL BRINGS LAUGHTER FROM AUDIENCE

NEW YORK, April 11. (AP)—Federal Judge Edwin S. Thomas of Connecticut threatened to expel spectators from the courtroom today as the repartee of Texas Guinan, night club hostess on trial, charged with maintaining a nuisance, drew continued laughter from the crowded benches.

Miss Guinan, heavily jeweled as during the first two days of her trial, resumed the witness chair for continued cross examination while men and women fought with court attendants to gain entrance to the room.

Special Attorney General Norman Morrison asked the defendant witness if her contract with Salome Royale guaranteeing her a minimum of \$1,000 a week had not been drawn to her advantage, and she replied it had not.

"Did the lawyer draw this up out of the blue sky?" Morrison asked. "No, he drew it up in his office," Miss Guinan replied, and the crowd, considering this a humorous "comeback," roared with mirth.

Morrison asked about nurses he said were frequently invited to the night club. Miss Guinan said they had helped cure for her mother and she just wanted to give them a good time in return.

"Were they provided with drinks as part of that good time?" the prosecutor asked.

"Certainly not," said Miss Guinan.

At noon the defense rested, Miss Guinan having been the only defense witness.

## BUD ROBINSON AND PARTY COMING HERE FRIDAY EVENING

A special meeting of the Navarro county commissioners court has been called for Saturday morning at 10 o'clock to canvass the returns of the various school trustees election for county schools and other matters. County Judge Clay Nash announced Thursday morning.

## REBEL ARMIES ARE CONVERGING UPON NACO, BORDER CITY

(Continued from Page 1)  
Further fortify the garrison with heavy timbers, and to send airplanes over the rebel camp.  
Regardless of what action is contemplated here, Brigadier General Frank S. Cochen, commanding the American forces in Arizona, has given warning that United States aviators will shoot down any Mexican battle plane flying over Arizona, and also will take action if Mexican bullets start flying again through the Arizona town.

## Another Attempt Is Made On Calles' Life

MEXICO CITY, April 11. (AP)—The chief of the military garrison here today disclosed an unsuccessful attempt had been made to bomb the special train of General Plutarco Elias Calles and assassinate him in the state of Jalisco a few days ago.

A man and a woman, the principal conspirators, should be arrested soon, the garrison commander said, while certain residents of Torreón, Coahuila, will be arrested, also.

The plot was made with the cognizance of the rebel General Escobar, Manzo, Cruz, and Caraveo, who sent a man named Santiago Perez and an unnamed woman to Mexico City to secure explosives. These were to be sent insurgents in Jalisco to dynamite the train. Perez obtained the explosives, but was unable to get them out of Mexico City. Military authorities here found them, with letters revealing the plot, and barely missed.

## Warranty Deeds.

Nall McMullan to Mrs. Mena Hodge, 10 acres of the Alfred P. Eaton survey; 3 3/4 acres of the Thomas Barton survey; 27.57 acres of the Thomas Barton survey; 51 acres of the T. J. Chambers survey; 5 3/4 acres of the T. J. Chambers survey, \$5 and other considerations.  
Albert R. Young, et ux, to C. C. Albritton, lot 17 and part of lot 16, block 395 1/2, Corsicana, \$10 and other considerations.

## Constable's Office

Two negroes, Minnie Moore and Berdie McHenry, are in the county jail charged by complaint with theft from person in connection with the alleged taking of \$15 by force from a white man Saturday night. The arrests were made by Constable J. J. Howard and Deputy Constable W. P. Pieren. During the last several days the constable's force have arrested four for vagrancy, and three for drunkenness.

## Justice Court.

One was fined for vagrancy in Judge W. P. Clifton's court on Thursday and one was fined for the same offense Wednesday in Judge S. B. Jordan's court.

ed taking him and his companion. The two were said to have escaped last night.

## Little Additional Fighting Expected

MEXICO CITY, April 11. (AP)—Little further major fighting is expected by government authorities to be needed to stamp out the revolt in Northern Mexico. In some quarters even the prediction was made today that within two weeks the military problem presented by the rebellion would definitely be solved.

Fall of Ciudad Juarez to federalists aroused little comment here, since the evacuation of Chihuahua had been taken for granted. Advises of the city's evacuation and subsequent occupation by loyal troops comprised the only news of military maneuvers reaching Chapultepec castle during the day.

Federal forces presumably were continuing their advance from Culiacan, capital of Sinaloa, toward San Blas, on the Rio Fuerte, in the northern part of the state, and some fighting at least was expected before the rebels retreated northward into Sonora.

General Juan Andreu Almazan, commanding the army of the north was in Chihuahua City arranging resumption of railroad traffic with Mexico City and starting repair work on lines from Chihuahua to Ciudad Juarez so as to open a second rail route from the capital to the United States border.

## DISARMAMENT BOGEY AGAIN WORRIES LEAGUE

(Continued from Page 1)  
preparatory disarmament commission approaches there are echoes of hopes and fears from almost all powerful nations.

Great Britain and France are said to be dreaming of an early convocation of a special naval conference which would achieve what the three-power naval conference at Geneva failed to achieve.

From Japan comes indications that the government, pinched financially, would welcome a treaty providing for further naval reductions.

From Germany, which claims she is totally disarmed, comes demands for those reductions of armaments which the covenant of the League of Nations regards as imperative to the consolidation of the world peace.

But experts at Geneva remark that simultaneously with this and other pressure for a lessening of armament burdens, great nations are proceeding steadily with their program of naval replacement—the United States voting to build 15 cruisers of 10,000 tons and both Great Britain and France voting to lay down the keels of new warships.

Germany believes that unless the big naval powers reach an accord, general disarmament may suffer a serious blow from which it would not recover easily.

Count Von Bernstorff, former German ambassador to Washington, is expected to introduce a resolution in April for the appointment of a sub-committee to tackle the special problem of naval limitation.

With the naval problem a harassing specter, interest centers also in how the preparatory disarmament commission will deal with the project of soviet Russia for partial disarmament.

Last year the preparatory disarmament commission flatly rejected a soviet scheme of total disarmament, deeming it an illusion difficult of realization.

The delegates from Moscow promptly came back with a plan of gradual disarmament which cannot be dismissed with the same facility.

The commission will study that scheme and decide how much, if any, is acceptable.

Litvinoff is expected from Russia. Hugh Gibson, the American ambassador to Belgium, will, as in the past, be the chief American delegate. Lord Cushendun probably will represent Great Britain, although there has been no official announcement.

Former Japanese ambassador to Washington, will voice the views of Nippon.

Bernstorff, who of late has specialized in questions of armament reduction, will represent Germany, and all these and others will be surrounded by capable and watchful naval and military experts.

## AMERICAN SENTENCED DIE BY MEXICAN REBELS GIVEN FREEDOM; TWO STILL HELD

EL PASO, April 11. (AP)—The rigors of revolution appeared painful today to only one of three American young men who experienced them.

S. E. Gilbert, 25, of Eastland, Texas, was on this side of the Rio Grande again, seeing his involuntary part in the Mexican rebellion as a melancholy vicissitude. But two youths, Fred Wood, of Richmond Hall, Long Island, and Albert Holliday, of Amarillo, Texas, still were on the other side—in Juarez, Mexico—but with a promise that their federal captors would release them soon. They went into the rebel army "just for fun."

Gilbert's story, told yesterday, was a vivid melodrama. A talkative acquaintance, he said, had caused him to be abducted by rebels, nearly starved, nearly mobbed, but finally relieved from a death sentence assessed by the insurgents.

En route from Eastland to El Paso, Gilbert, an oil man, "picked up" one Butler. They went to Juarez. There they met a Dr. Kay. This doctor took them for a ride

—away from El Paso and into hostile hands. Butler had boasted, said Gilbert, of having flown for the federals and his narratives seemed to connect him with responsibility for bomb casualties at Jimenez.

Robert Swain, El Paso, a member of rebel General J. G. Escobar's staff, ultimately interceded and saved them from a firing squad after insufficient food, wire bonds, and the threatening front of a muttering mob outside their prison well might had unnerved them.

Gilbert doesn't know what happened to Butler after the two got back to the United States.

Wood and Holliday, among a detachment of 40 rebels captured near Guadalupe by loyal Mexican soldiers, presumably felt their lark quite jolly. They joined the rebels, they said, "just for the fun of it," and federal authorities agreed to keep the matter somewhere within the humorous classification by promising them a speedy release.

## SECRETARY STATE ORDERED RECEIVE HOUSTON CHARTER

AUSTIN, April 10. —(AP)—The supreme court today awarded a mandamus to C. A. Barbour against Mrs. Jane Y. McCallum, secretary of state, compelling her to receive and file the charter of the Barbour Terminals, Inc., of Houston.

Mrs. McCallum had refused to file the charter on grounds the lease, which constituted the paid capital stock of the proposed corporation, was invalid because it was not authorized by the statute creating the Harris county Houston ship channel navigation district.

## Excessive Heat Registered Over Midwest Sector

CHICAGO, April 5.—(AP)—Another day of record-breaking heat was forecast today for the Middle West, with temperatures in the 90's only a day behind.

Both Omaha and Lincoln reported 84 degrees yesterday, and in both cities new all-time records were set for this early in the season. Chicago's 79 equaled the previous record for April 4 and sent many persons to the parks and beaches.

The hot wave was expected to abate tomorrow when precipitation is predicted quite generally over the Midwest with snow in the extreme northern portion.

## SHE COULDN'T GET OUT FOR 6 MONTHS

"I had just about given up hope of even being well again when I heard about Sargon. It is just wonderful what it has done for me.

MRS. J. W. MANESS.

"I was in a dreadfully rundown condition as a result of stomach trouble. I became so weak I was confined to the house for six months and for four months was on a milk diet. I suffered terribly with gas and cramping pains. Awful sick headaches forced me to bed for hours at a time. I lost weight and strength and my color was unhealthy. I was so nervous that I couldn't sleep well.

"After the first few doses of Sargon my appetite returned and I eat anything I want. I don't suffer with gas or cramping pains anymore, nor do I have those dreadful headaches. My nervousness is entirely gone and I sleep just fine. Doing the housework now seems just like play compared to what it used to be. I'm rid of constipation, my color is good and I've gained six pounds.

"Sargon did more for me in a few weeks than all the other medicines and treatments put together did in years."

The above statement was made recently by Mrs. J. W. Maness, 1510 Pearson St., Houston, Texas.

Sargon may be obtained in Corsicana from McPherson Drug Co.; in Kerens from Walker Drug Store; in Rice from Rice Pharmacy; in Richland from Brown Drug Co.; in Blooming Grove from Old Corner Drug Store, and in Dawson from Loveless Drug Co.—(Adv.)

## "On Trial" At Palace Friday

Scene from "On Trial" with Pauline Frederick, Bert Lytell and Lois Wilson in Warner Bros. Production.

The prosecuting attorney weaves his net about an accused man. Sweeping charges are lodged against this man who shot and killed his best friend. On trial for his life, he refuses to speak; absolutely refuses in any way to prove his innocence. He seems peculiarly resigned to his fate. There is a dreamy light in his eyes.

The court room is packed with curious and morbid sensation seekers. They hope for startling developments. The accused man is unaware of their presence. Suddenly there is a stir in the court room. Scraping feet, a subdued hum of human voices; a ten-year-old child with long, golden curls takes the witness stand. "Do you promise to tell the truth, nothing but the truth so help you God?" She is the daughter of the accused man.

This fascinating scene occurs in

Warner Bros.' latest all-talking picture, "On Trial," the screen version of Elmer Rice's sensational court room melodrama which thrilled audiences some years ago when it played as a legitimate stage production. Now, through the medium of spoken words and effective flashbacks which illustrate the testimony of the witnesses on the stand, "On Trial," merges as a carefully conceived melodrama which is developed through many thrilling scenes to a powerful climax.

Pauline Frederick is starred in this all-talking screen production. Considered to be one of the finest actresses on the legitimate stage, Miss Frederick gives a sterling performance as the wife of the murdered man. Bert Lytell is cast as Robert Strickland, the accused man, and Lois Wilson plays the

## CURSING, MASKED AND ARMED ROBBERS INVADE GOD'S HOUSE

LOOT VALUED AT \$75,000  
SECURED FROM MEMBERS  
RUMANIAN SYNAGOGUE

CHICAGO, April 9. (AP).—Five cursing robbers, masked and armed, held up 80 members of the First Rumanian Synagogue last night, taking \$75,000 in money and jewels. It was the first instance in Chicago police records of a holdup inside a place of worship.

For nearly half an hour, the robbers moved among the congregation which had been lined against a wall. From the arms and hands of the women the robbers snatched bracelets and rings. The men's pockets yielded billfolds and watches.

A special meeting was being held to hear Victor Phillips of Bucharest, representative of the Rumanian government, in the tenth anniversary celebration of United Rumania. The meeting was in the church parlors where Queen Marie of Rumania was a guest during her Chicago visit.

From Mr. Phillips the thieves took \$80 overlooking \$500 in a secret pocket. Among the loot, as reported to police, were a diamond ring valued at \$4,000, a pair of earrings worth \$2,200 and a bracelet valued at \$1,000.

One woman fainted. After the robbers had gone, Rabbi Goldstein offered a prayer of thanks that no lives had been taken.

part of his wife. Both of these popular players are at their best in difficult characterizations. The ten-year-old Vendell Darr also gives a highly commendable performance. "On Trial," which was directed by Archie Mayo, opens a four-day engagement at the Palace theatre on Friday.

## Average Man Is Stunned by This Startling Story

WASHINGTON, April 9.—The modern American collegian is not "collegiate" but "has higher ideals and purposes, does better work and more serious scholastic work and lives by a higher standard of moral conduct than the student of any preceding generation."

That is the conclusion Henry Grattan Doyle, dean of men of George Washington University, has drawn from his own observations and from statements by presidents of deans of men of 300 colleges.

He undertook the inquiry, he explained today, with a desire "to contribute something toward the correction of what I believe to be erroneous public opinion concerning the college man and woman today." He will make a detailed report this week at the annual meeting here of the association of deans and advisers of men.

## LOCAL BAPTISTS CHARTER SPECIAL CAR TO SHERMAN

Local Baptists have chartered a special car to be attached to the H. and T. C. train here Wednesday morning of next week for the trip to the Baptist Sunday school convention which will be in session in Sherman at that time.

The Althean chorus, under the direction of Mrs. B. M. Henderson, will sing before the convention on Wednesday.

About 100 are expected to attend from here.

Rev. J. Howard Williams, pastor of the First Baptist church, has a place on the program Thursday afternoon. His subject for the address will be "The Associational Organization, the Means of Reaching Every Church."

REVIVAL AT WORTHAM.

WORTHAM, April 11.—(Spl.)—A revival meeting is being conducted in the Baptist church by the pastor, Rev. Rodgers. The meeting began with Sunday morning service, and both the morning and evening services are largely attended.

## FLORIDA SHERIFF DECLARES WAR ON BOOTLEGGERS RING

JACKSONVILLE, Fla., April 5. —(AP)—Declaring his intention to "the worst rum and murder ring in Florida," Sheriff W. B. Cahoon, on whose head bootleggers are reputed to have placed a price of \$1,000, today redoubled his efforts to find the slayer of Joe Haywood, his former deputy, shot to death Wednesday night.

Haywood, a former federal dry agent at Birmingham, Ala., since coming to Jacksonville as a deputy sheriff had become known as the "terror to bootleggers." He, too, had a price on his head, authorities were informed.

In the fourteen suspects in jail today, the sheriff believed he had the slayer.

The sheriff announced the shotgun with which Haywood was killed as he sat in a car at a grade crossing waiting for a train to pass, had been found, and it was the property of the sheriff's office. The gun was found in possession of Bill Oglesby.

Meanwhile Dan Hysler, bootleg king, was expected to surrender. The sheriff expressed belief Hysler was the "brains" behind the killing.

## Clean-Up Campaign At Teague Success

TEAGUE, April 11.—(SP)—Teague has been made much more sanitary and the appearance of the city has been greatly augmented as a result of a thorough clean-up campaign conducted in this vicinity.

The clean-up program is the advance guard of effort of Teague's civic clubs to take precautionary measures before the annual spring breeding time of mosquitoes and flies, as well as to clean up and either burn or haul away all debris.

W. M. Donahoe of Retreat visited in the city Wednesday.

**TOTAL RAINFALL IN  
PAST TWO DAYS GOES  
TO 1.43 IN. HERE**

The rainfall for the 24 hour period ending at 7 o'clock Tuesday morning was .85 of an inch making a total for the two days of 1.43 inches. Late Tuesday afternoon a heavy rain accompanied by a hard wind fell in Corsicana and over the county.

Road work was stopped by the rains this week as was the work on the farms.

Growing crops were benefitted by the rain and land that had been put up recently was put in fine shape for planting.

And after an excursion into village and country he wrote: "I am in love with this green earth, the face of town and country, the unspeakable rural solitudes and the sweet security of streets."

Planes may also be useful in averting or at least mitigating the dangers of floods, as shown by the efforts of army fliers to bomb ice jams that block the Missouri river. Not all of these operations are successful, but in several instances they have been much more effective than efforts to plant dynamite in the ice barriers that cause streams to overflow.

The psychology of the business man's unfavorable reaction to too many words by tongue or pen is easy to understand. In the beginning of submission of a proposition his mind is presumably open. The problem of the proponent is to interest him. When interest has been aroused and the mind has become cautiously receptive as a result the negotiation enters a critical stage, one in which the person to whom proposals are being submitted is easily "scared" off by loose statements. It is a wise man who knows when to stop talking.

When people get back to God they get back to sanity and proportions and order and unselfishness and common helpfulness. In the midst of the exposure of Philadelphia's shame in her police department, the mayor cried out for an old-fashioned revival of religion, to purge the city and to restore the moral stabilities. It is the fundamental faith of millions that what our world needs today, before all

## THREE SUBJECTS TO BE SUBMITTED FOR SPECIAL SESSION

TEXAS LEGISLATURE CALLED TO MEET ON MONDAY, APRIL 22ND

AUSTIN, April 10. (AP)—Prison concentration, civil service and educational subjects will be considered by the special session of the legislature called to meet April 22 by Governor Moody yesterday. After these matters are disposed of other things will be submitted, the governor said.

The governor did not mention appropriations in his proclamation convening the legislature. It had been reported he would submit the money bills until after his program of legislation had been acted upon. The house and senate bills, making appropriations for support of the government for the next biennium will be ready for submission when the legislature convenes.

The governor's prison and civil service propositions have been rejected by two legislatures. Two years ago and during the closing house of the last session, the prison concentration idea failed of passage. The civil service bill was voted down by the house during the forty-first session and killed by the senate in the fortieth legislature.

The governor asks for enactment of laws carrying into effect the constitutional amendment voted in November, providing that terms of all officers of the public school systems, including state institutions of higher learning, may be fixed by the legislature not to exceed five years and authorizing the appointment of elected members of the board of education to serve not to exceed six years.

## ROUGH LANGUAGE IS ATTRIBUTED TO GOVERNOR LONG

BATON ROUGE, La., April 10.—(AP)—Testimony that Governor Huey P. Long used abusive language in relations with public officials, one of 18 impeachment charges being heard by the Louisiana house of representatives, was begun today.

J. W. A. Jeter of Shreveport, Caddo Parish tax assessor, the first witness, testified that during a courtesy call to the governor's office the executive used "rather violent" language during a telephone conversation to which Jeter was a witness.

Representative Lautenschlaeger asked: "What was the abusive language?"

He said hell and damn, and possibly put a 'God' in front of it," answered Mr. Jeter.

Representative Charles B. Roberts, chairman of the committee of investigation, testified that the committee met prior to the session and decided to call witnesses in regular order, with no danger of voting coming too suddenly.

Minutes of State Funds. F. J. Richardson, of building construction with the state training colony at Alexandria, was called to testify on charge number 4 relative to misuse of state funds by the governor through boards controlled by him. He formerly was secretary of the board of this institution for care of the feeble minded.

Questioned by Representative Cattle Morgan of Caddo he said: "My position, which was appointive, was changed in February after I was made assistant to the superintendent. All I know about the change was the governor did not think my work satisfactory."

Voting on special charges of the impeachment will be made the special order for certain hours in the house, so that members will have sufficient time to return the evidence and prepare to vote, the committee of twelve announced today. This is to prevent any sudden introduction of a resolution to bring about a vote.

Governor Interfered. M. A. Sandlin, tax assessor of Webster Parish who Jeter said accompanied him to the governor's office in his visit in January, testified that although he did not know who was at the other end of the line, the governor seemed upset and infuriated as he talked over the telephone.

District Court Judge Robert Butler of Houma said Representative Ellender in January told him of a conference with the governor. He testified Ellender told him the governor had called him on the telephone and told him he had "no business to vote against the new mansion when the board of liquidation had approved it. He said the governor had been rather offensive in his talk over the phone."

Ellender, taking the stand, said, although the governor gave him no opportunity to say much during the first telephone conversation he did not take him seriously. He said in another call, however, he told Mr. Long he thought he had always voted fairly with the administration. The governor said he thought the legislature was a "hell of a bunch of fellows to want him to live in the old mansion, but did not abuse me," he testified.

Munger Company Elect Officers At Mexia Monday

MEXIA, April 10.—(Sp.)—Stockholders of the Munger Oil and Cotton company, which operates more than a score of gins, cotton seed mills and other industries in this section of Texas, met here Monday and re-elected directors and officers. The company declared its regular dividend, it was said, and reported a good year's business. Officers are: L. S. Munger, president; R. Munger, vice president; R. A. Parker, vice president and general manager; C. A. Chambers, secretary-treasurer; These and Phil Karner, George N. Aldridge and R. C. Munger compose the board of directors.

H. O. Varnell of Barry was here Wednesday on business.

## FORMER FLORIDA GOVERNOR AND BAPTIST MINISTER ARE FACING COUNTERFEIT CHARGE

DEFUNIAK SPRINGS, Fla., April 10.—(AP)—It's all a frame-up, former Governor Sidney J. Catts declared at his home here today when informed a federal grand jury had indicted him at Jacksonville on charges of aiding and abetting a counterfeiting ring.

JACKSONVILLE, Fla., April 10.—(AP)—Sidney J. Catts, Sr., former governor of Florida and a Baptist minister, today faced arrest on charges of aiding and abetting an alleged million dollar counterfeiting ring.

Two federal indictments linking the former governor with financing a counterfeiting conspiracy were returned here yesterday. Others named in the indictments were Julian Diaz, Tampa attorney, arrested recently in Miami; Mateo Mir, Ar-

mando Dominguez and Madeline Leah Burwell, Diaz' former secretary.

With the return of the indictment Judge Lake Jones set bond at \$35,000 for Diaz, alleged head of the syndicate, and \$17,500 each for the others.

Catts is alleged to have furnished \$5,000 to the ring to finance the purchase of printing presses and equipment, with the understanding he was to receive \$25,000 of the counterfeit money as his part in the investment.

Diaz was arrested in Miami when he is said to have attempted to pass a spurious \$100 note through his secretary, Miss Burwell. When detected, the woman, led federal operatives to Diaz's hotel where he was arrested. He claimed, the officers said, he received the notes from a Tampa bank.

## FUNERAL SERVICES FOR J. N. BRYANT HELD WEDNESDAY

Funeral services for J. N. Bryant, 70, resident of Corbet, and native and life-long resident of Navarro county, who died at the Navarro County Hospital Tuesday afternoon at 1:50 o'clock following an operation for appendicitis, were conducted Wednesday afternoon at 3 o'clock at the Campbell cemetery where burial was made. The services were conducted by Rev. W. Almon, Baptist minister of Dawson. The funeral home left the residence of his son, Dock Bryant, 2123 West Third avenue at 2 o'clock.

Mr. Bryant was born about five miles west of Corsicana.

Surviving are two sons, Dock Bryant, Corsicana; Billy Bryant, Sour Lake; six daughters, Mrs. Edna Ham, Temple; Mrs. Ethel Roman, Mrs. Kate Sloan, Mrs. May Sloan, Mrs. Mattie Kirby and Mrs. Coma Wilcox, all of the Corbet community; fourteen grandchildren, one brother, Jim Bryant, Eldorado, Oklahoma; and one sister, Mrs. Catherine Weaver, Gatesville. Pallbearers were Luther Dockery, Corsicana; Walter Beeman, Corsicana; George Knight, Corsicana; W. D. Brannon, Pickett; Ernest Green, Corbet, and Mack Roman, Corbet.

The funeral was directed by the Corley-McMahon Funeral Home.

## Limestone Baptists To Meet at Kosse

MEXIA, April 10.—(Sp.)—A mission program will be given at the monthly Workers' Conference of the Limestone County Baptist Association which meets in Kosse Friday, April 12, Rev. A. Foltz, county missionary, says.

"How a Country Church Can Be Made to Budget," will be the theme of an address by Rev. W. O. Miller of Cooldge.

Henry Pursley of Pursley was in Corsicana Wednesday afternoon on business.

## Special Session To Take Up Farm Relief At Once

WASHINGTON, April 10.—(AP)—After a call at the White House today Senator Watson of Indiana, publican leader, said President Hoover will send his message to the special session of Congress next Tuesday and the McNary farm relief bill will be introduced on Wednesday.

"As soon as the farm bill is introduced the senate will adjourn until Thursday and then get down to work," the Indiana senator said, adding the far measure would be ready Monday but since the presidential message was to discuss it, the measure could not be presented earlier.

## WOMAN CONVICTED SLAYING HUSBAND GIVEN NEW TRIAL

AUSTIN, April 10.—(AP)—Mrs. Clyde Baker, convicted in Jones county for the alleged murder of her husband, Charles Baker, and given thirty years, was granted a new trial by the court of criminal appeals today.

The case was reversed and remanded after Mrs. Baker's motion for a rehearing had been granted, the court having previously affirmed the conviction.

It was charged Baker had been poisoned. The court in granting the rehearing and reversing the case found the prosecution had failed to prove Baker's death was caused by poison. No autopsy had been held.

The case of Sammie Wyatt, Grayson county, 15 years for the murder of George Andrews, was affirmed. Andrews was struck with a piece of wood, the record showed.

## PLANS ARE BEING COMPLETED FOR BIG PLANE COME HERE

Frank H. Phares, southern traffic representative of the Southwest Air Fast Express, was in Corsicana Wednesday afternoon making final arrangements for bringing one of the big sport tri-motored Ford monoplanes now being used in the Halliburton fleet to the formal opening of the Corsicana Municipal airport on April 27-28.

The big monoplane carries fourteen passengers and a crew of two and represents the latest ideas in travel, and cost about \$65,000 per ship. Every modern convenience is included in the equipment of the ships, and passengers may have the same comfort that the most modern pullman may accommodate.

Preliminary plans call for the big plane to leave Dallas early Saturday morning and arrive at the field about thirty minutes later, earning a full quota of the Dallas Chamber of Commerce aviation committee and other air enthusiasts. The plane will remain in Corsicana over the week-end and will be available for passenger flights during the two days.

A request was received Wednesday morning by Chairman W. C. Stroube from Lieut. Thompson of Kelly Field at San Antonio for full information concerning the location, size and accommodations of the Corsicana airport, and asking for a survey of the field that would meet the government requirement: nature of the soil was also asked.

Officials at the army field assured local airport officials several weeks ago that a full complement of ships would be sent to the opening, and it is supposed that the desired information desired would enable the commanding officer of Kelly Field to make up his squadron of such ships as could be accommodated on the field.

The lieutenant suggested that flyers from Fort Sill and Fort Crockett at Galveston be invited and invitations were immediately despatched to these squadrons.

Lonnie Huch of Roane spent Wednesday in Corsicana attending to business.

## DAWES' APPOINTMENT AS U. S. AMBASSADOR TO ENGLAND WAS ANNOUNCED AT WHITE HOUSE

WASHINGTON, April 10.—(AP)—Formal announcement of the appointment of former Vice President Dawes as ambassador to Great Britain was made today at the White House.

The announcement was made after receipt of word from the state department that the British government had advised the appointment of Gen. Dawes would be acceptable to King George.

Gen. Dawes' nomination will be sent to the senate next week, and after its confirmation, the new ambassador will be given such leave of absence as is necessary for him to complete the work of reorganizing the finances of Santo Domingo, upon which he is now engaged.

When that is completed, about five weeks hence, he will return to Washington to confer with Secretary Stimson regarding British-American relations before proceeding to London.

Selection of Gen. Dawes was made last week, and later in the week a communication was sent to the British foreign office through the American embassy, asking if he would be acceptable as the successor to Alanson B. Houghton, who is to leave London for the United States on April 27. It was explained the delay in receiving a reply from the British capital was due to the fact the communication had to be transmitted to the king, who is recuperating from his recent illness.

Before sailing for Europe, Mr. Gibson was a guest at the white house for more than a week. Three days before he had planned to leave the capital, Secretary Stimson arrived from Manila to become head of the state department, and he, too, was President Hoover's guest at the executive mansion. Then, Mr. Gibson postponed his departure for two days so he might have more extended conferences with his new chief.

In his discussions with Mr. Hoover and the secretary, Ambassador Gibson is known to have gone over the disarmament situation in minute detail. In fact, he was the first person consulted by Stimson after the latter had conferred with the president and with Frank B.

## ROAD BUILDING TO BE RESUMED WITH FAIRING WEATHER

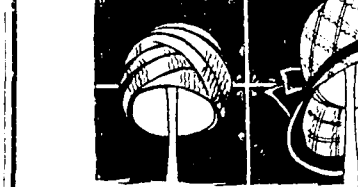

In the event that the favorite weather conditions continue, it is expected that the pouring of concrete on the Chatfield lateral road will be resumed Friday or Saturday by Tyree Bell of the P. T. McElwain Construction company. Some work is being done on the shoring of the Roane lateral which has been completed but has not been opened for traffic. After a slab has been completed, it is not opened for 21 days for the concrete to properly cure and harden.

The short strip in Chambers creek just south of Hogan Bridge will likely be finished when the Chatfield work is done.

With favorable weather conditions, it is expected that the work on the Chatfield slab will be completed in three or four working days.

On Account of the meeting of the Texas State Dental Society, I shall be absent from my office from April the 15th to April the 19th, inclusive.

DR. TRIM HOUSTON.

## MORE CHARGES ARE PRESENTED AGAINST GOVERNOR LONG

(Continued From Page 1)  
ed financial assistance, the governor being charged with offering to make the representative, a farmer, "independent of the banks."  
The senate, sitting at high court of impeachment, convened at noon and immediately heard its committee report on rules of procedure. Under the rules as presented, no charges will be tried until the house has filed all charges, with the provision that if the lower body has not completed its work by April 22 the senate would fix a date of hearing on any articles adopted.  
The rules would further provide, however, that the court would not set the date of trial at a time to give the governor less than 15 days to prepare an answer.  
Mr. Long would be permitted to appear in court personally and through counsel.

BATON ROUGE, La., April 11.—(P)—The lower house of the Louisiana legislature, hearing impeachment charges against the governor, recessed for short time soon after opening today to combine two bribery charges for one vote.  
Although there was no indication when a vote would be taken, the members asked the charge that Governor Huey P. Long attempted to bribe Representative Adolph Guymard of Iberville Parish and Representative Felix Delaune of St. Charles Parish should be embodied in a single count.

BATON ROUGE, La., April 11.—(P)—The house committee was asked today by managers of the impeachment case against Governor Huey P. Long to vote on charges of attempted bribery of two legislators and misuse of state funds while the senate set itself in order for the trial.  
These specific charges were:  
That Governor Long attempted to bribe Representative Felix Delaune of St. Charles parish by offering him a job with the highway commission at a salary of \$150 a month and expenses.  
That Governor Long attempted to bribe Representative Adolph Guymard of Iberville parish by offering him a job with the highway commission and by offering to "fix him up" on loans at banks.  
Buy New Automobile.  
Under the misuse of funds count, Governor Long was said in the testimony to have purchased a new automobile about the time he failed to account for \$15,000 of 60,000 put up by the state board of liquidation for entertaining a conference of governors.  
The one count formally before the high trial court until today accuses the governor of threatening to intimidate Publisher C. P. Manship, of Baton Rouge and others who opposed his proposed tax on refined oil.  
Additional testimony placed before the house carried the proceedings of inquiry through count number six of the nineteen charges, that of "removing school officials of the state for purely political purposes" and "using said powers for the purpose of intimidating teachers and pupils."

## GULF GETS GOOD WELL IN BRUNER FIELD AT LULING

DALLAS, April 11.—(P)—The Gulf Production Company's No. 9 Carter well in the Bruner field near Luling has been completed, the flow being estimated at 5,000 barrels daily. The producer came in unexpectedly while the drill was still in the Austin chalk. The Cranfill and Reynolds' Hanson well in the same area came in as a 1,000 barrel producer.

Considerable excitement has been caused in oil circles around Colorado, Texas, by an oil strike at a depth of 565 feet in the Atlantic Oil Production Company's No. 1 Ellwood. The well is in the South west corner of section 30, block 18, Southern Pacific lands, and about 2,000 feet southeast of the Simms Company's discovery well.

Kirkpatrick succeeds John E. Hill of Amarillo.  
Other officers elected: Vice-presidents, I. B. McFarland of Houston, J. W. Rockwell of Houston and U. S. Pfeuffer of New Braunfels; treasurer, N. C. Hoyt of Houston; honorary secretary, J. C. Dione of Houston and Sergeant-at-arms John C. Ray of Waco.

## AMERICAN TROOPS GATHERING ALONG ARIZONA BORDER

(Continued From Page 1)  
Fort Bliss, El Paso, would move for Hachita, N. M.  
The Fort Russell detachment prepared today to leave as soon as possible, and the Fort Bliss contingent expected to get under way before afternoon. The marches will require several days.  
These troops, their movements by far the largest caused in this country by the current revolution, will reinforce other Arizona and New Mexico commands, already swelled from normal strength, and will be aided by 18 army airplanes already in service there.  
For Fort Bliss assignment was "in the nature of a practice march," General Lassiter said, but "this force will be in a position to return to its proper station or continue into Arizona in accordance with developments of the situation."

## FOUNDERS DAY IS OBSERVED THURSDAY BY CIVITAN CLUB

### ELEVENTH ANNIVERSARY OF INTERNATIONAL ORGANIZATION CELEBRATED

Celebrating the eleventh anniversary of the international organization members of the Corsicana Civitan club observed Founders Day at their regular meeting at the Navarro Hotel at noon Thursday.  
W. Pat Brown, past president of the club, was the principal speaker. Captain Walter E. Jenkins, United States army, was introduced as a guest of the club at the meeting. President Tom Orr announced that he had inspected the work done by the local Camp Fire Girls organization in establishing a permanent camp, and urged the club to aid in the project in any way possible. He also announced the annual financial campaign of the Corsicana Y. M. C. A. that will be launched within the near future.

There will be no meeting of the club next week, because of the joint luncheon with other service clubs on Tuesday, when Gardner S. Rogers, city plan expert of the U. S. chamber of commerce will be the principal speaker. The program committee for the meeting on April 25 will be composed of Robert Davidson and Donald Marr.  
Dr. J. Wilson David was chairman of the program committee for Thursday, which was composed of past presidents of the Corsicana Club. With Joel Trimble presiding at the piano, members of the club joined in a lengthy singsong.

The Civitan creed was read to Donald Marr and Robert Cason, new members, by Dr. David. Pat Brown then presented a brief historical sketch of the youngest member of the leading service club since its organization in 1917 in Birmingham, Ala. Stressing the importance of individual responsibility, the former club leader urged co-operation and punctuality upon all the club members as an important factor in building up the club.  
Dr. David paid tribute to the success of the club under its latest leader, T. C. Orr. He also announced that the students of the Corsicana high school were now engaged in the first annual essay contest on civic subjects sponsored by the club. The contest will close on May 2.

## HOUSTON OIL MAN DROPPED DEAD IN BUSINESS DISTRICT

HOUSTON, April 11.—(P)—W. N. Long of Houston, former president of the Galena Signal Oil Company, dropped dead here today.

Long fell while walking in the business district. Physicians said his death was due to heart disease. Long had been associated with the oil interests of Texas for the past 20 years. He came to Houston in March, 1927, as secretary of the Galena Signal Company of Texas. In July, 1922, he was made vice president. Later he was elevated to the presidency, which position he occupied until a short time ago. Before joining the Galena Signal Long was associated with the Gulf and Texas Companies. Besides Mrs. Long, he is survived by two sisters, Mrs. R. W. Lilliot of Galena and Miss Myrtle Long of Houston.

## ATTORNEY GENERAL READY FOR CHANCE PRO ENFORCEMENT

WASHINGTON, April 11.—(P)—Attorney General Mitchell is hopeful that congress at its special session beginning Monday will enact the necessary legislation for the transfer of the prohibition enforcement unit from the treasury department to the department of justice.

Such a transfer was proposed by President Hoover in his inaugural address as the first step in a program of better general law enforcement, and it is now determined that legislation is necessary for its accomplishment since enforcement power was vested in the treasury by an act of congress.  
Most details of the transfer have been worked out, with the general plan now before the president. Enforcement would be under an assistant attorney general, probably Mrs. Mabel Walker Willebrandt, who has charge of enforcement of the prohibition, internal revenue, narcotic and customs laws.

## STATE CONFERENCE JEWISH WOMEN NAME OFFICERS TUESDAY

EL PASO SELECTED FOR 1930  
CONVENTION CITY BEFORE  
ADJOURNING

Selection of El Paso as the meeting place for the ninth annual convention of the Texas Conference of the National Council of Jewish Women, in 1930 and the election of officers for the ensuing year brought the eighth annual session of the convention to a close in the Carnegie Library auditorium shortly after 4 o'clock Tuesday afternoon after three days of intensive work and entertainment.

Mrs. Joseph Ulay of Dallas was again named to head the conference. Mrs. Will Goldman of Corsicana was named auditor of the state work.

Carrying out a drive launched by members of the Corsicana section, delegates and visitors to the convention raised more than \$700 Tuesday in the last minutes of the morning business session and at the noon luncheon at the Navarro Hotel. This fund will be used for the relief of the stranded Jewish women and children in Cuba, and came in response to problem presented Sunday evening by Mrs. Estelle M. Sternberger, national executive secretary, in her opening address. The announcement of the total of the fund was made about the middle of the business session Tuesday afternoon, and was the occasion for an outburst of applause that exceeded almost anything previously known in the history of the national council and for their generous response to the unspoken need.

Section Reports Heard. Section reports from San Antonio, Fort Worth, Port Arthur and Houston were presented and accepted by the convention. Mrs. A. D. Gugenheim of Waco presented a short summary of the work of the convention. Mrs. A. D. Gugenheim of Waco presented a short summary of the work of the convention that touched upon the highlights of every meeting, combined with brief bits of humor that drove home each point to the tired delegates. The convention voted to have the report mimeographed and a copy sent to each section president to be read at the first meeting after the convention.

Mrs. Max Mayer, first vice president of the convention, invited the conference to meet in El Paso in 1930, assuring them of her hospitality and presenting the need of El Paso for the convention.

The recommendation of the board of managers that visitors be charged a registration fee of \$3.00 was adopted after a brief discussion. A recommendation to hold the next convention in January, either before or immediately after the triennial convention in Los Angeles, was tabled after considerable discussion and a motion to hold the conference at El Paso in April carried.

Through the action of the convention, the student loan fund scholarship for next year will be known as the "Corsicana Section" loan.

Thanks Extended. Resolutions were presented and adopted, thanking the Navarro Hotel, the Carnegie Library Board, Temple Beth-El and Mr. and Mrs. M. L. Levine for the use of their hospitality; extending thanks to the Corsicana Daily Sun for the generous use of its space in covering the convention; to Charlton Guter, Sun reporter, who covered the major portion of the convention; to the Corsicana section for its hospitality and entertainment; to the rabbis who aided in the conference; to Mrs. Estelle Sternberger for her inspirational messages and personality; to Mrs. Ulay for her efficient services, and to all others who aided in making the eighth annual convention a success.

A resolution asking each section to contribute to the student loan fund was declared out of order. A resolution was adopted asking that Reciprocity Day again be observed this year.

The report of the nominating committee was presented and the following officers were elected: President, Mrs. Joseph Ulay of

## Will Be Hostess to Ninth Convention

MRS. MAX MAYER, El Paso

Dallas; first vice president, Mrs. May Meyer of El Paso; second vice president, Mrs. H. H. Miller of Fort Worth; third vice president, Mrs. I. A. Victor of Beaumont; recording secretary, Mrs. Rebecca Nathan of Houston; corresponding secretary, Mrs. Leah Zeve of Dallas; treasurer, Mrs. A. Goldberg, Port Arthur; auditor, Mrs. Will Goldman, Corsicana; parliamentarian, Miss Lydia Littman, Austin.

The nominating committee presented the names of Mrs. Clara Chinsky of Beaumont, Mrs. N. Persky of Wichita Falls, and Mrs. A. M. Morris of Denison, for directors for the ensuing two-year term. The name of Mrs. A. M. Morris of Sherman was presented from the floor, and Mrs. A. M. Morris of Denison asked that her name be withdrawn; the convention accepted the change, and the directors were elected: Mrs. A. M. Goldstein of Waco and Miss Lillian Herz of Galveston are hold-over directors.

Mrs. Ulay in her closing address paid tribute to the loyalty and co-operation. Mrs. Sternberger then paid tribute to the Texas conference for its vision and courage, declaring that the National Council would be greatly heartened by the record of the state. The president declared the convention adjourned a few minutes after 4 o'clock.

A number of the delegates left Corsicana on afternoon trains and the greater part of those remaining departed on trains leaving the city during the evening.

### MISSING AIRPLANE REPORTED FOUND ON AUSTRALIAN COAST

BOAT IS ALLEGED TO BE  
STANDING BY TO TAKE OFF  
FOUR MEN IN PLANE

SYDNEY, N. S. W., April 9. (Sp.)—The airplane, Southern Cross, missing for nearly ten days with Captain Charles Kingsford-Smith and three companions on an attempted flight to England from Sydney, was reported by the Sydney Morning Herald to have been found on the coast, 30 miles southwest of the station.

A boat was standing by to take off the aviators, according to the report.

### Women's Auxiliary Wortham Presbyterian Church Give Program

WORTHAM, April 11.—(Sp.)—The Women's Auxiliary of the Central Presbyterian church, celebrated their tenth anniversary with a luncheon, and with seventy-five present. A varied program was enjoyed, and the object of the affair was two-fold, as a "home coming" with brief reports of the year's work, and to raise the budget for the New Year. The president of the Texas Synodical, Mrs. B. A. Hodges, was the distinguished guest of honor and the main speaker, and was presented by Mrs. K. W. Sned, Presbyterian secretary of the Waco, Texas, church.

A number of former members, whose homes are elsewhere were present, while telegrams and other messages were read at roll call. The local president, Mrs. J. J. Stubbs, with brief reports of the year's work, and to raise the budget for the New Year. The president of the Texas Synodical, Mrs. B. A. Hodges, was the distinguished guest of honor and the main speaker, and was presented by Mrs. K. W. Sned, Presbyterian secretary of the Waco, Texas, church.

Among some of the other most interesting features were, the secretary of literature, Mrs. H. Love, dressed as "Father Time" representing the old year "1928" carrying in her arms the little "New Year." The six months old Francis Simmons, and with most fitting remarks presented the New Year to the president. When the pledge cards were collected, it was announced by the treasurer, Guy Leverett that the amount was raised and "over the top."

**IN-LOVING MEMORY OF LAVERN LASSITER NUGENT.**  
On Saturday noon, April 6, 1929, the death angel visited the home of Lavern Nugent and took his darling wife, Lavern. She had lived in Navarro county all of her life, and was known by many people. To know her was to love her. She was born in 1906, and April 6, 1929. She is survived by her husband, infant daughter, mother, Mrs. Jim Lassiter; one sister, and five brothers. Mrs. Roy Pickett, Walker Lassiter, Willie Lassiter, Hobson Lassiter, Roy Lassiter, Herbert Lassiter and a number of other relatives.

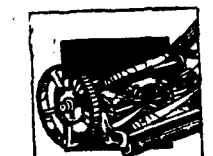

Weep not, dear friends and loved ones,  
For she from us has gone,  
But God will bless us,  
While she's in His heavenly throne.  
Her voice has gone from us,  
But we will hear it soon,  
When God from heaven calls us,  
We will answer, too.  
'Twas hard to give her up,  
But God saw fit to call her.  
So we shall let her go,  
There is sadness left her for us,  
But there is rest for her,  
There will be rejoicing when  
We meet her on high again.  
There was aching hearts here then  
But there will be rejoicing on high  
When we all meet her again.  
The pallbearers were Glen Stokes,  
Brady Turnes, Mr. Compton, Robert Whotton, Charlie and Tynes Breithaupt.

Interment was in Dresden cemetery Sunday afternoon.  
Written by one who loved her,

### Pointers For The Efficient Farmer

By U. S. Department of Agriculture.  
Storage rooms for eggs should be used for that purpose exclusively. Other products may impart undesirable odors or flavors to eggs. The best temperature is about 50 degrees Fahrenheit, and the humidity should be from 82 to 85 percent. Lining the floors and whitewashing the walls before the storage season helps keep the room sanitary.

Cows should not be turned on pasture until the grass is three or four inches high. The first growth of grass is watery and low in nutrients. At first cows should be left on the pasture for only a few hours a day. This will lessen the chances of bloat and of a grassy taste in the milk.

A well or spring on the farm may be 150 feet from a source of pollution, and on higher ground, and still be impure. If the land is porous or if there has been long continued pollution from one place water may become contaminated from long distances, particularly in down hill directions.

A well may draw pollution from lower ground, especially when drought and heavy pumping depress the water table enough to reverse the direction of drainage. Only when the surface of water in a well or spring is at a higher level than the water in the surrounding ground is it safe to drink.

### PURDON

PURDON, April 11.—(Sp.)—Mr. and Mrs. Gene Kersinger of Corsicana were here Thursday afternoon.

### HOUSE COMMITTEE MAPS OUT HEARINGS ON APPROPRIATIONS

AUSTIN, April 9.—(Sp.)—The house appropriations committee today mapped out a schedule for hearing requests for aid before the special session of the legislature.

The game, fish and oyster reclamation, labor and water engineers departments appeared with requests for money to finance their divisions for 1930-31. There remain the State Highway commission, State library, board of control, railroad commission, University of Texas and forestry department of A. & M. college to be heard. John Wallace, chairman of the committee, said.

Wallace said he had informed members of the committee to be in Austin Monday to begin writing bills for all departments. Two measures, the judiciary and eleemosynary institution bills, already have been drafted, but revisions will be necessary.

### FORMER OKLAHOMA CONGRESSMAN DIES SUDDENLY TUESDAY

ARDMORE, April 9.—(Sp.)—Charles D. Carter, for 20 years an Oklahoma congressman and more recently a state highway commissioner, died suddenly at his home here from heart disease.

Mr. Carter, a democrat, was elected to congress from the third Oklahoma district when this state was admitted to the union in 1907, and served until 1927. He was defeated in the 1928 elections by Wilburn Cartwright of McAlester. He was fifty-nine years old.

Before his retirement from congress, he was appointed as a member of the Oklahoma Highway commission by Gov. Henry S. Johnson. The commission of which he was a member was automatically abolished last week when Gov. W. J. Holloway signed a bill creating a new commission of three members.

Mr. Carter was a true christian and a member of the Church of Christ. She was loved by everyone who knew her. We truly believe she is now at home with the Great God that does all things well. All was done for her that loving hands and kind hearts could do, but to no avail. In a few months she would have been 76 years old.

I say we must not weep for her, for God is too good to be unkind to us. He does all things well.

She leaves to mourn her death, five children, two girls and three boys: Mrs. W. E. McCollum, Emhouse, whom she made her home with; Mrs. J. W. Young, Ennis; H. H. Allen of Childress; J. E. and O. E. Allen, Emhouse.

She was laid to rest in the Myrtle cemetery at Ennis, beneath a flower covered mound in the presence of a large crowd of sorrowing relatives and friends.

Funeral services were conducted

### Tribute Paid to Mother N. E. Allen

MRS. N. E. ALLEN

On March 24, 1929, in the evening the Death angel came silently into our happy home and took from us our dear mother.

It seems like it was more than we could bear. But God's will must be done, not ours. She was not sick, well as usual, she was so good and kind. It seemed like everything we would do for her was a pleasure.

She was a true christian and a member of the Church of Christ. She was loved by everyone who knew her. We truly believe she is now at home with the Great God that does all things well. All was done for her that loving hands and kind hearts could do, but to no avail. In a few months she would have been 76 years old.

by Bro. Nobles and Bro. O. L. McCollum, both of Ennis.

Active pall bearers were W. E. Brown, John Derusha, Andrew Perrin, Boss Beard, O. L. McCary, and Sholey Anderson.

Thou art gone, our precious mother, Never more thou canst return. How we loved her, how we miss her. Each and every way we turn. How we miss those loving hand-claps.

For this to do, she never failed. How we miss her tender voice. In our home we loved so well. Oh! how we sit there lonely. In our home we love so dear. But there sits her rocking chair vacant.

This sad, but oh! how hard to bear. Goodbye mother, sleep on sweetly. For we know your pain is o'er. We are hoping, trusting, praying We will meet to part no more.

By her daughter,  
MRS. W. E. MCCOLLUM.

## ALL-TEXAS DAIRY INDUSTRIAL TOUR PLANNED FOR MAY

### CORSICANA MAN ON COMMITTEE FOR PLANNING TOUR SOUTHEASTERN STATES

DALLAS, April 9.—(Spl.)—The All-Texas dairy and industrial tour for 1929 will be run through the Southeastern states—that section which has made such great strides during the past ten years. The states that will be visited are Mississippi, Tennessee, Georgia, Alabama, North Carolina and South Carolina. The train, one of the finest ever assembled in Texas will leave over the Texas and Pacific allway from Dallas on the after-

noon of Thursday, May 16. A big get-together banquet will be held at the Adolphus Hotel at noon. The first stop will be at Starkville, Miss., on Friday morning, where the Borden Company plant will be visited. This is also "pay day" for the farmers of the Starkville community, and several thousand come to the Borden plant for their checks that day. In the afternoon the special will proceed to Tupelo, a few miles north of Starkville, where the Carnation Milk Products Company plant will be inspected.

One of the feature dairy farms to be visited will be that of the Vanderbilt Estate at Asheville, N. C., which is said to be the finest dairy farm in the world and commercially profitable. Not only will dairy plants and farms be visited but some of the finest state experimental farms in America.

The cities where stops will be made for inspection of industrial plants are those that contain varied industries. There will be cotton factories, rayon plants, knitting

mills, furniture factories and every line of industry that can be profitable operated in Texas.

The committee in charge of the tour is composed of many leading men of Texas, namely: W. B. Hamilton, general chairman, Wichita Falls; Peter Molyneux, secretary, Fort Worth; J. Lee Green, Denison; Beeman Fisher, Texas Power and Light, Dallas; Lowry Martin, Corsicana; R. M. Kelly, Kelly Flow Company, Longview; C. A. ### DESTRUCTION AND DEATH WROUGHT BY WIND IN ARKANSAS

(Continued from Page 1)  
churches and the school house were leveled.  
Five persons were injured north of Bono, but none fatally.  
The death list was expected to mount as the parties searched the desolate areas for bodies and the injured who were being rushed to hospitals at Newport and Batesville. Hospitals in both towns reported they had long since been filled with injured, who were brought in from Guion and Batesville and the communities of Springfield and Possum Trot late last night and early today.  
Thirty-two caskets were sent by train from Little Rock early today together with stretchers and first aid supplies and physicians and nurses.

**Doctors and Nurses.**  
Physicians and nurses hurriedly organized from cities north of the stricken areas who had labored untiringly throughout the night continued their tasks at daybreak.  
Red Cross officials at Batesville reported early today that of 53 injured in hospitals there, from Guion, several were so seriously injured that little hope was held for their recovery.

At Newport many seriously injured were in hospitals.  
Mr. and Mrs. Lucas were crushed to death in the collapse of their home, five miles south of Wynne. Their two small children, asleep in the house, were believed to have perished also but their bodies had not been located today.

**Dead Are Farm Folks.**  
All the dead and injured in the Swift section were farmers and their families. Several large families were crushed to death, under the debris of their homes.

The tornado disturbance affected an area within a radius of 50 miles of Swift, rising out of the south-southwest, where it crossed the railroad tracks and gradually disappeared. Trees were uprooted and tossed about like splinters along with parts of barns and dwellings and cows. A trail of dead livestock was left. Hens and geese were found without a feather.

T. C. Bulard, his wife and daughter, Lena, 19, were found dead in the ruins of their home in the middle of a village creek, a quarter of a mile from their farm. A 14-year-old son, said the house was blown over tree tops and into the creek. His brother survived but was injured.

**Man Saved Family.**  
Warned by the roar of the tornado, Carl Wagster rushed his family out of their house and clasped his wife and three children in a tight embrace, escaping injury while their home was crumbling.  
Not a house was left standing at Possum Trot, and in Sneeds the only building to escape was the school house.

The twelve negro victims at Possum Trot met death when their homes were razed. Three were employees of the Northern Ohio lumber company. A large main mill building and several tenant houses belonging to that company were demolished. The damage was estimated at \$50,000 by company officials.

Nine of the negroes were killed at their homes several miles from Parkin. Two families are said to have been wiped out.  
A heavy downpour followed the storm.  
About two miles from there it moved slowly along a path, some 500 yards wide for about 3 miles. The worst destruction was along the Possum Trot-Sneeds road leading to Allecia six miles north of Swift.

### Two Injured When Texas Twister Hits

VICTORIA, April 11.—(AP)—Two persons were injured and considerable property was damaged by wind, rain and hail at Bloomington, near here, last night.  
Thomas Whitefield, age 12, was severely cut by flying glass, and Robert Jones, 15, negro, had a leg broken by falling timber.

A new brick school house was unroofed, the front of the Noble Drug store wrecked, and a number of outhouses blown down. Windows were smashed in nearly every house in the town. Many persons narrowly escaped injury when the tent of a show they were attending was carried away.

The storm, which struck at 8 o'clock, was felt in other sections of Victoria county, but not so severely.  
Guadalupe river here is almost out of banks because of continued rain.

### Farm Settlements and Villages Hard Hit

LITTLE ROCK, Ark., April 11.—(AP)—A tornado from the southwest roared through north central Arkansas last night leaving in its wake at least 29 dead and scores of injured.

A number of persons were missing today and it was feared the death list would mount to two score. Property loss was not believed to have been great.  
The village of Guion and a farm settlement near Swift apparently bore the brunt of the wind's

### Bank Cashier Charged With Embezzlement

FORT WORTH, April 11.—(AP)—David Umberhour, assistant cashier of the Stockyards National Bank, was charged Thursday with embezzlement of \$29,109.50 from that bank.

The complaint, filed before United States Commissioner Flynn, also alleges Umberhour made false entries on the books of the bank to cover up his alleged speculations.

Umberhour was reported to have been flown completely away resulting in the death of five persons and injuries to 50. Fourteen bodies had been recovered at dawn from the vicinity near Swift. Six negroes were reported killed at Parkin and four negroes at Prineville.

The death list compiled from various sources included the following white persons:  
Swift: Ruth Riley, 4; Buster Riley, 4; and their mother, Mrs. Esther Riley, 45; Mrs. Russell Long, 45; and her daughter, Virginia, 17; Howard Watts 12; Thirley Hudgens 22; Charles Defries, 45; and his daughter, Grace, 4; Mr. and Mrs. Cleo Nicholson, about 30; John Loy, 45; Mrs. A. J. Rowlett, 52; and one unidentified man.

Guion: Miss Thelma Pierce, 30; Miss Thelma Tilton, Claude Campbell and a mother and child.  
The tornado was reported first at Diaz where three persons were hurt. It struck near Swift about six o'clock. A funnel-shaped cloud appeared suddenly but before those in the vicinity could escape the tornado came with a roar.

Several persons were carried considerable distances before being dashed to the ground. Others were crushed in their homes. The tornado skinned along for about two miles, then bounded away and struck next at Guion, about 70 miles from Swift.

Communication lines to Guion disrupted but from the injured taken to a Batesville hospital came reports of the village being left in ruins. A mother and her child brought from Guion, died at Batesville. The other three Guion victims were killed outright. About 50 injured were taken into Batesville for medical attention.

### SPECIAL RATES TO ATHENS FOR GIANT WELCOME TO CHAMPS

Special railroad rates for trips to Athens Friday from Corsicana to participate in the giant celebration planned by Athens sportsmen in honor of Coach Jimmy Kitts and his national basketball champions were announced Thursday afternoon.

The Athens high school Hornets, champions of the national tournament held in Chicago last week, will be the honored guests at the big celebration and will likely appear in an exhibition game during the day.  
A special round trip ticket for \$1.61 is offered by the Cotton Belt, with the tickets good for return any time until Sunday night. The train for Athens leaves Corsicana at 9:35 o'clock.

### AIRPORT OPENING HERE ATTRACTING MUCH ATTENTION

EDITOR OF MAGAZINE DEVOTED TO AVIATION ACTIVITIES NOW ON GROUND

Opening of the Corsicana Municipal airport is attracting considerable attention in all sections of the state according to all indications, and Robert C. Walker, editor of "The Service News," a magazine devoted to the activities of the air corps, arrived in Corsicana Thursday from San Antonio to make his headquarters here until after the port is formally dedicated on April 27-28.

The publisher has attended the openings of the greater portion of the airports in the state, and has tendered his services to the local committee to aid in any way possible.

General Chairman W. C. Stroube received a letter Thursday morning from H. M. Lull, executive vice-president of the Southern Pacific Lines, of Houston, thanking the committee for the invitation to attend the opening and promising to be present at the dedication ceremonies.

A number of important announcements concerning the details of the program for the two day celebration will be made within a few days, according to the general chairman, who is busily engaged in getting each committee started to functioning properly.

Following a meeting of the ticket committee Monday night, practically every merchant has been furnished with a supply of tickets for the opening days and a sign which informs the public that the tickets are available. A large number of tickets have been sold, and an additional number are expected to be disposed of within the next few days.

Frank H. Phares, southern traffic manager of the Southwest Air Fast Express, which is operating a fleet of huge Ford tri-motored planes between Dallas and Kansas City and St. Louis, inspected the airport Wednesday afternoon and was very highly complimentary about the size of the field and the way it had been conditioned. He asserted that the hangar was one of the best that he had seen.

On his trip to Corsicana, the express manager, completed plans for bringing one of the big passenger fleet to Corsicana for the two days of the celebration.

Hella Temple will send a band of sixty pieces to the formal opening of the airport on April 27. General Chairman Stroube announced Thursday on his return from Dallas, where he conferred with Shrine officials. A number of artists are included in the Dallas organization and they will assist in the elaborate spectacle planned for the dedication ceremonies. Karen Temple Patrol and band accepted an invitation several days ago to be present Sunday and will come from Waco on board one of their famed "Shrine" specials.

G. E. Pryor of Pursley visited in Corsicana Thursday.

### First Rain O' Gold Drawing On Monday Night Front Ideal

The first awards in the Corsicana merchants "Rain o' Gold" contest will be made inside and in front of the Ideal theatre, Monday night, April 15, at eight o'clock.  
From the stage, the winners will be announced, and the same announcement will also be made from the marquee in front of the theatre, by means of an electric loud speaker.  
It is the plan of the committee in charge of the arrangements, to have Fifth avenue, from Beaton to Main street, blocked to automobile traffic, between the house of 7:30 and 8 o'clock, so as to permit a large crowd to gather in front of the theatre without fear of injury or annoyance.  
It is the wish of the committee that every one bring all their coupons and to expedite matters to have all their numbers listed numerically on a sheet of paper.

of colds or gripe—put your system and your blood in order. Build up your health with that splendid herbal tonic, Dr. Pierce's Golden Medical Discovery, which has stood the test of sixty years of approval. The air we breathe is often full of germs, if your vitality is low you are an easy mark for colds or pneumonia.

One who has used the "Discovery" writes thus:  
North Little Rock, Ark.—"Dr. Pierce's Medical Discovery has been a standby in my family and was in my father's family. When I feel the need of a tonic to build up my health in general, I always get satisfactory results from Dr. Pierce's Golden Medical Discovery. All that is necessary to convince anybody that this remedy will do all that is claimed for it, is to induce them to give it a fair trial."

### Two Injured When Texas Twister Hits

VICTORIA, April 11.—(AP)—Two persons were injured and considerable property was damaged by wind, rain and hail at Bloomington, near here, last night.  
Thomas Whitefield, age 12, was severely cut by flying glass, and Robert Jones, 15, negro, had a leg broken by falling timber.  
A new brick school house was unroofed, the front of the Noble Drug store wrecked, and a number of outhouses blown down. Windows were smashed in nearly every house in the town. Many persons narrowly escaped injury when the tent of a show they were attending was carried away.  
The storm, which struck at 8 o'clock, was felt in other sections of Victoria county, but not so severely.  
Guadalupe river here is almost out of banks because of continued rain.

### Farm Settlements and Villages Hard Hit

LITTLE ROCK, Ark., April 11.—(AP)—A tornado from the southwest roared through north central Arkansas last night leaving in its wake at least 29 dead and scores of injured.  
A number of persons were missing today and it was feared the death list would mount to two score. Property loss was not believed to have been great.  
The village of Guion and a farm settlement near Swift apparently bore the brunt of the wind's
